

Congratulations!!!.. **Your Report is generated**

Dear prakash,

We hope you have come across various questions which could be asked based on the responses you provide during the interview process.

We agree interviews may seem difficult, but once you get to know how to answer in the interview you can definitely crack any interview. This is a report generated based on the responses you gave during the mock interview. Don't get disheartened if you scored less there is always a room for improvement, and if you have scored great, that's awesome keep practising

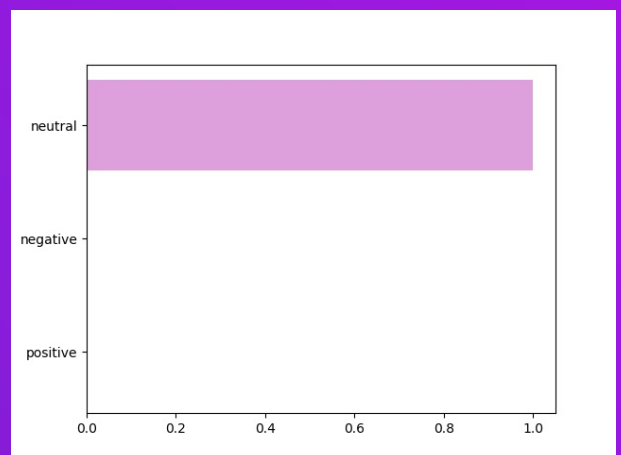

Thank you
