

Congratulations!!!.. **Your Report is generated**

Dear jit,

We hope you have come across various questions which could be asked based on the responses you provide during the interview process.

We agree interviews may seem difficult, but once you get to know how to answer in the interview you can definitely crack any interview. This is a report generated based on the responses you gave during the mock interview. Don't get disheartened if you scored less there is always a room for improvement, and if you have scored great, that's awesome keep practising

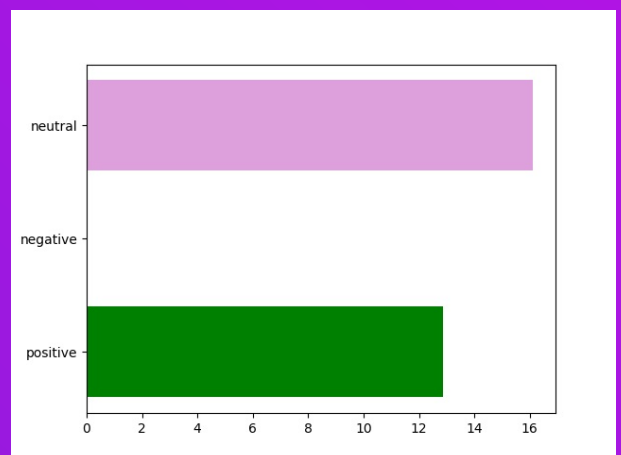

Thank you

PROJECT - INTERVIEW BOT

Your Sentiment Score

Overall sentiment during the interview process was : **Neutral**

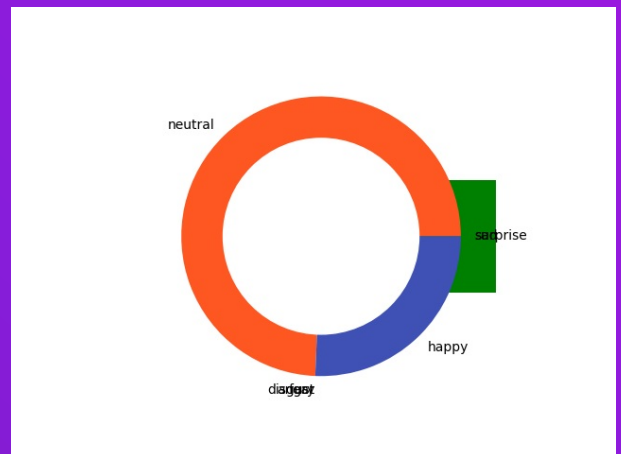

Keeping Neutral Sentiment is not a bad idea and it's way better than having a negative impression on the interviewer. A little more positive answers would definitely work for you, and you should try the same.

Your Emotion Score

Overall sentiment during the interview process was : **Neutral**

Keeping Neutral Sentiment is not a bad idea and it's way better than having a negative impression on the interviewer. A little more positive answers would definitely work for you, and you should try the same.
